

The U.S. Department of Education (ED) requires institutions that participate in the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965, as amended (the HEA), to report certain information about students who enrolled in Title IV-eligible educational programs that lead to gainful employment in a recognized occupation (GE Programs).

The following information discloses gainful employment data for LA College International for the academic year of July 1, 2009 through June 30, 2010.

Gainful Employment Data 2009 to 2010
